Helping Your Story Become News in Front of the Right Audience

North America Distribution List

News Distribution List

North America – English Language

A comprehensive circuit that delivers news to a North American audience and ensures compliance with all Stock Exchanges. Reaches key media, analysts, investors, and market participants, including:

- Online financial databases and financial content aggregators
- Major broker terminals
- Key financial institutions, analysts and investment dealers
- Online media databases and major news sites
- Social media and mobile trading platforms
- SEDAR and EDGAR filing available; for compliance with Securities Commissions

Our Distribution Lists Contain No Artificial Fillers.

Driven by a commitment to transparency, our global distribution lists are honest, accurate, and easy to understand. That's why our lists are compact and concise, rather than artificially inflated.

When judging the authenticity of distribution lists, it's good to know how Newsfile's approach sets a different standard based on getting results you can trust.
